

# Meditation and Activations

## *A day of guided Meditations Activations and Stillness.*

Venue:

Dates:

Activations are designed to assist you in connecting you to your higher states of consciousness (asking, male energy)  
Meditations and stillness allow you to merge with these energies (receiving, female energy)

### Objectives

- Healing and releasing that which no longer serves you
- Deeper Awareness of who you are
- Assist you in becoming a clear and perfect channel of Divine Source.
- You will experience deep cleansing on all levels in order to breathe in your own divine light and receive your next level of understanding

### Themes include but are not limited to

- Releasing tribal consciousness
- Meet your spirit guardian and healing team
- Pineal gland and brain activation
- Clearing 4 major archetypes (*Wounded child, saboteur, prostitute, victim*)
- Soul fragment retrieval
- Christed and I am awareness
- Bliss and oneness
